

Kerry Gaskin

Qualifications

Nursing, PhD, Parents' experiences of the transition from hospital to home following their infant's first stage of complex heart surgery, Coventry University
Award Date: 19 Jul 2017

Employment

Chair

Congenital Cardiac Nurses Association
United Kingdom
1 Jan 2011 → present

Associate Editor

Evidence Based Nursing

Research and Innovation interests

Congenital Heart Disease (CHD)
Health inequalities in CHD
Parental early assessment and monitoring of fragile infants with complex congenital heart disease (CHD) at home
Early warning tool - Congenital Heart Assessment Tool
Parents' psychosocial functioning
Leveraging technology
Palliative and end of life care for children and young people with complex CHD
Research culture, capacity and capability

Research outputs

Understanding the Scale and Nature of Parent/Guardian Telephone Calls to a Tertiary Children's Cardiac Centre: A Service Evaluation

Menzies, J., Gaskin, K. L. & Seale, A., 3 Jan 2025, In: Comprehensive Child and Adolescent Nursing.

"It shook my whole parenting plan": Parents' experiences during the COVID19 pandemic

Gaskin, K. L., Lewis, A. & Hope, L., 16 Aug 2024, In: Comprehensive Child and Adolescent Nursing.

Places of Farewell: a scoping review exploring factors influencing the choice of place of death for children when death is expected

Davis, G., Gaskin, K. L., Molnar, G. & Bentley, J., 12 Jul 2024, In: Comprehensive Child and Adolescent Nursing.

Enhancing discharge preparation for parents following their infant's complex cardiac surgery: Evaluation of an e-learning programme for children's cardiac nurses

Gaskin, K. L. & Daniels, A., 8 Jul 2024, In: Nursing children and young people.

Development and Implementation of An Advanced Practice Research Toolkit

Gaskin, K. L., Apr 2024

Empowering patients and families to escalate worries and concerns,

Ritsperis, D., Gaskin, K. L., Newbury, I., Woof, R., Roffe, K. & Tomms, N., 18 Feb 2024, Evidence Based Nursing : BMJ Publishing Group.

Places of Farewell – bereaved parents' decision making about their child's place of death

Davis, G., Gaskin, K. L., Molnar, G. & Bentley, J., 11 Feb 2024, Evidence Based Nursing : BMJ Publishing Group.

Evaluation of healthcare professionals' experiences of taking telephone calls from parents of children with congenital heart disease. A risky business

Gaskin, K., Seale, A. & Menzies, J., 4 Jan 2024, In: Journal of Child Health Care.

Achieving the research pillar: a research toolkit for Advanced Practitioners

Gaskin, K. L., 2024, Evidence Based Nursing : BMJ Publishing Group.

CHAT2App: Supporting Caregivers of Infants with Congenital Heart Disease.

bowers, C., Gaskin, K. L. & Wray, J., 2024, In: Proceedings of the ACM on Programming Languages.

Parents' Journeys of Mastery and Knowledge Construction After Their Infant's First Stage of Surgery for Complex Congenital Heart Disease

Gaskin, K. L., Barron, D. & Wray, J., 2024, In: Comprehensive Child and Adolescent Nursing. 47, 1, p. 68-81 14 p.

Exploring the implementation of key nursing roles in children's cardiac services

Gaskin, K. L., Daniels, A. & Shaughnessey, L., 18 Dec 2023, In: Nursing children and young people.

Dental advice for children and young people with congenital heart disease: a survey of cardiac nurses,

Dervish, A., Vaidyanathan, M. & Gaskin, K. L., 29 Nov 2023, In: British Journal of Cardiac Nursing.

An improved congenital heart assessment tool: a quality improvement outcome

Gaskin, K. L., Smith, L. & Wray, J., 2 Apr 2023, In: Cardiology in the Young. 33, 4, p. 551-556 6 p.

Evaluating the congenital heart assessment tool: a quality improvement project

Smith, L., Wray, J. & Gaskin, K. L., 13 Jun 2022, In: Cardiology in the Young. 33, 6, p. 878-885 8 p.

Children and Young People's Cardiac Nursing: RCN Guidance on Roles, Career Pathways and Competence Development (3rd Edition).

Gaskin, K. L. (ed.), 30 Jun 2021, London : Royal College of Nursing.

Congenital heart disease, lockdown and me: Global perspectives of living through a pandemic',

Gaskin, K. L., 14 Jun 2021, Evidence Based Nursing : BMJ Publishing Group.

Parents' Experiences of Transition From Hospital to Home After Their Infant's First-Stage Cardiac Surgery: Psychological, Physical, Physiological, and Financial Survival

Gaskin, K. L., Barron, D. & Wray, J., 1 May 2021, In: Journal of Cardiovascular Nursing. 36, 3, p. 283-292 10 p.

Spotlight on maternal mental health: A prepandemic and postpandemic priority

Bailey, L. & Gaskin, K., 1 Apr 2021, In: Evidence-Based Nursing. 24, 2, p. 29-30 2 p.

Care of infants, children and adults with congenital heart disease

Gaskin, K. & Kennedy, F., 26 Jul 2019, In: Nursing Standard. 34, 8, p. 37-42 6 p.

Parents' experiences of receiving an antenatal versus postnatal diagnosis of complex congenital heart disease

Reid, A. & Gaskin, K., 8 Nov 2018, In: Nursing children and young people. 30, 6, p. 19-25 7 p.

Acceptability of a parental early warning tool for parents of infants with complex congenital heart disease: A qualitative feasibility study

Gaskin, K. L., Wray, J. & Barron, D. J., Sept 2018, In: Archives of Disease in Childhood. 103, 9, p. 880-886 7 p.

Patterns of Transition Experience for Parents Going Home from Hospital with their Infant after First Stage Surgery for Complex Congenital Heart Disease

Gaskin, K. L., 1 Jul 2018, In: Journal of Pediatric Nursing. 41, p. e23-e32

Parents' preparedness for their infants' discharge following first-stage cardiac surgery: Development of a parental early warning tool

Gaskin, K. L., Barron, D. J. & Daniels, A., 1 Oct 2016, In: *Cardiology in the Young*. 26, 7, p. 1414-1424 11 p.

Recognition and management of asthma in children and young people

Pinfield, J., Gaskin, K., Bentley, J. & Rouse, J., 16 Sept 2015, In: *Nursing Standard*. 30, 3, p. 50-8; quiz 60

Research essentials: Explaining mixed-methods research for the children's nurse and novice researcher

Gaskin, K., 1 Jun 2015, In: *Nursing children and young people*. 27, 5, p. 12 1 p.

Research essentials

Gaskin, K. & Chapman, S., 1 May 2014, In: *Nursing children and young people*. 26, 4, p. 12 1 p.

Safe and sustainable paediatric cardiac surgical services

Cook, K. L., 27 Sept 2013, In: *British Journal of Cardiac Nursing*. 5, 7

Care and compassion: Have you got what it takes?

Gaskin, K. L., 5 Nov 2012, In: *Journal of Paramedic Practice*. 4, 11

Networked learning

Cook, K., 2009, In: *Nursing Standard*. 23, 19, p. 61 1 p.

Coming to a computer near you: CPD for children's nurses.

Cook, K., Mar 2008, In: *Paediatric nursing*. 20, 2, p. 38 1 p.

Learning on the go

Cook, K., 2008, In: *Nursing Standard*. 23, 12, p. 61 1 p.

Your flexible friend: e-learning.

Cook, K., 2008, In: *Nursing Standard*. 22, 39, p. 62-63 2 p.

Paediatric cardiac nursing education: a national collaboration.

Cook, K., Daniels, A., Sheehan, K. & Langton, H., Feb 2006, In: *Paediatric nursing*. 18, 1, p. 41-44 4 p.

Activities

A national survey on children and young people's nursing roles and career pathways in congenital heart disease networks in England

Kerry Gaskin (Speaker)

4 Nov 2024

Building a Regional Senior Research Leaders Network: 'These research capacity building roles can be lonely'. RCN International Nursing Research Conference

Julie Menzies (Speaker), Sharon Grieve (Speaker), Helen Pluess Hall (Speaker), Nicola Manning (Speaker), Anne Marie Russell (Speaker) & Kerry Gaskin (Speaker)

10 Sept 2024 → 12 Sept 2024

Implementation and Evaluation of the Advanced Practice Research Toolkit - RCN International Research Conference

Kerry Gaskin (Speaker)

10 Sept 2024 → 12 Sept 2024

Parental preparation for discharge: Development of an e-learning resource about the Congenital Heart Assessment Tool
AEPC Conference Porto
Kerry Gaskin (Speaker) & Amanda Daniels (Speaker)
8 May 2024

Prizes
